SERMON JAN 10, 2015: How good was your last meal? This sermon will be preached by Evangelist David Steward.

AMAZING FACTS SEMINAR HELPERS: All those who have signed up to be on the evangelism team are requested to come to the Board Meeting (Organizational Meeting) this Monday, Dec 15 @ 7 PM. If you haven't signed up to help, but want to help, you are also invited to come to the meeting.

OHANA LEADERS AND PAST PARTICIPANTS' MEETING: This evening at the Maxwells' @ 6 PM. There will be a light meal, a planning session followed by fun and games.

***EARLY MORNING SERVICE:** Some have expressed their appreciation for and satisfaction with the early service. While things seem to be going well, we are interested in knowing if anyone would like to help with the music part of the service. **A person(s) who play the guitar** and/or pianist willing to work with the Pastor on the song service would be helpful. To see if we can incorporate your talents into the early worship service, please contact the church office.

Church Work Bee

Sunday, December 21
8:00AM

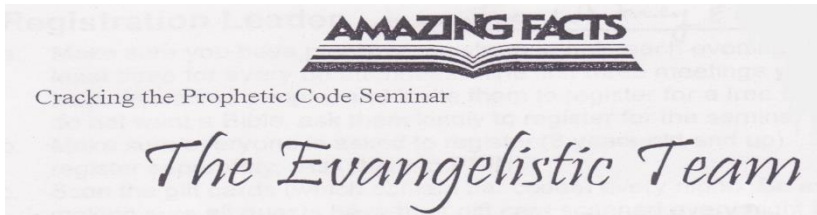

As you may have noticed we had to remove one of the large trees from the parking lot last Sunday. It was a sad decision but necessary. The roots of the trees have been pushing up the parking lot and sidewalk and beginning to push up the church foundation. While the cost of removing the trees is high, the cost of leaving them in would be enormous. With the help of several dedicated members we were able to keep that cost to a bare minimum. I want to thank everyone who came out on short notice and helped. It's worth noting that we had two grandfathers and a great-grandfather doing the bulk of the work.

On Sunday, December 21 we will be meeting again to remove the other trees along the south side of the church. There are several other projects that we'd like to tackle that day if we have the tools and help. The most noticeable is the large hole developing in the parking lot entrance. If you have digging bars and shovels, please bring them. We need to break up the asphalt, fill the hole and cover it again. If you are concerned that you don't have trade skills we always need help removing the debris.

We will work until the trees are down and the area cleaned up. Any amount of time you can spend helping would be appreciated. If you can't come until later in the day we'll try to save some work for you. If you can only give an hour of your time, I'll take it. We need to take care of our church and the more hands helping the better.

Thank you
Kenny Hill
